

Dear Community Partner,

It is with great excitement that we invite you to attend the Funky Fish Fry scheduled for Saturday, April 13, 2024, from 11:30 am to 5:00 pm at Avondale Brewing Co. This event is hosted by Mitchell's Place Junior Board and the Autism Support of Alabama Junior Board in support of children and adults affected by autism in the Birmingham area.

Our event is known for its good music, great food, and fun kids' zone! One of the most affordable benefit events in town, tickets are only \$25, or 2 tickets for \$40. Children under 12 get in for free and can enjoy fun in the kids' zone.

Enclosed is more information about the event and a detailed list of sponsorship opportunities. Our goal in creating this event is to prove that giving back to the community and supporting a worthy cause should not break the bank. This family-friendly event is fun for all ages. We hope you will consider attending and sharing this information with employees, friends, and family.

According to the CDC, 1 in 36 are diagnosed with autism spectrum disorder. The need for support is greater than ever. With support from community partners like you, our organizations can impact the lives of children and their families by providing life-changing therapy.

If you are interested in participating in this event, or if you have questions, please contact advancement@mitchells-place.com or (205) 951-9538.

Thank you for your consideration!
